

*****IMPORTANT NOTICE*****

Access to the DeathMaster File as issued by the Social Security Administration requires an entity to have a legitimate fraud prevention interest or a legitimate business purpose pursuant to a law, governmental rule regulation, or fiduciary duty, as such business purposes are interpreted under 15 C.F.R. § 1110.102(a)(1).

The National Technical Information Service has issued the Interim Final Rule for temporary certification permitting access to the Death Master File (DMF). Pursuant to Section 203 of the Bipartisan Budget Act of 2013 and 15 C.F.R. § 1110.102, access to the DMF is restricted to only those entities that have a legitimate fraud prevention interest or a legitimate business purpose pursuant to a law, governmental rule regulation, or fiduciary duty, as such business purposes are interpreted under 15 C.F.R. § 1110.102(a)(1). As many Experian services contain information from the DMF, Experian would like to remind you of your continued obligation to restrict your use of deceased flags or other indicia within the Experian services to legitimate fraud prevention or business purposes in compliance with applicable laws, rules and regulations and consistent with your applicable Fair Credit Reporting Act (15 U.S.C. §1681 *et seq.*) or Gramm-Leach-Bliley Act (15 U.S.C. § 6801 *et seq.*) use. Your continued use of Experian services affirms your commitment to comply with these terms and all applicable laws.

You acknowledge you will not take any adverse action against any consumer without further investigation to verify the information from the deceased flags or other indicia within the Experian services.
